

2007-2008
Finance Charge Appeal
(For appeals related to the
Financial Aid Office only)

PURPOSE

This form is used for the appeal of finance charges that have already posted to your student account. It is the Financial Aid Office's policy to reverse all finance charges caused by an error or delay beyond standard processing time by the Financial Aid Office. Finance charges caused by an error from another department should be discussed with that department. The Financial Aid Office is not responsible for errors or delays caused by government agencies or the student's lenders.
